Dear Sir/Madam

St Blazey, Fowey and Lostwithiel Community Network TRO

Cormac Solutions Ltd, on behalf of Cornwall Council are inviting comments on proposals for various waiting restrictions in the St Blazey, Fowey, Lostwithiel Community Network Area. These proposals have been formulated following discussions with the St Blazey, Fowey & Lostwithiel Community Network Panel and the relevant Cornwall Councillors.

The proposals listed below have been nominated to improve road safety from concerns raised about visibility issues, obstructive and inconsiderate parking and access issues, particularly for emergency service vehicles. Further details are available on the associated plans:

SN01 – Water Lane, Golant – Extend existing NWAAT (no waiting at any time) restriction at St Sampson’s Terrace to include the narrow section outside no. 4.

Lostwithiel:

- **SN02 – Uzella Park** – Introduce NWAAT in the turning area.
- **SN03 – Castle Hill & Tanhouse Road** – Introduce sections of NWAAT the Castle Hill junctions with Queen Street and The Old Orchard and near Cairn House to restrict parking through the narrower section of the street & introduce NWAAT on Tanhouse Road to replace the existing single yellow line restriction.
- **SN04 – Quay Street & Summers Street** – Introduce NWAAT at the narrowest section of Quay Street & extend NWAAT on western side of Summers Street to improve access to off-street parking areas.

- **SN05 – Bodmin Hill** – Introduce NWAAT outside Lostwithiel School and at the Duke Street/Terras Hill junction.
- **SN06 - Duke Street & Albert Terrace** – Extend NWAAT on northern side of Duke Street outside the Royal Oak Hotel & at both Albert Terrace junctions/outside The Towehouse.
- **SN07 - North Street** – Introduce NWAAT at the junction with Church Lane.

SN08 - Polmear Parc, Par – Introduce NWAAT at the junction with the eastern spur to overcome issues with vehicles parking on the junction area.

SN09 – St Julitta, Luxulyan – Introduce NWAAT to prevent parking in the turning area between nos. 7 & 9.

This consultation also proposes to formalise some disabled parking bays, ensuring that these are legally enforceable as shown on drawings EDG1683_SN10 (**12 Green Lane, Fowey**) and EDG1683_SN11 (**34 Par Green, Par**).

SN12 – Lockengate - It is proposed to ratify anomalies relating to an existing 40mph speed limit Order to ensure it is correct and legally enforceable.

In addition, it is also proposed to amend the provisions relating to an existing prohibition of driving restriction Order at **Monmouth Lane, Lostwithiel** to permit use by pedal cycles and to upgrade a historical weight limit Order applicable to the **A390, Lostwithiel** to 18 tonnes, to reflect modern day vehicle standards. Where appropriate, signing within the vicinity of these proposals will be upgraded to ensure that the revised restrictions are legally enforceable.

If you have any comment to make on the proposals, I would be grateful to receive them no later than:

12th February 2021

To respond to this consultation, you can either:

1. Use Cornwall Council's Consultation finder, an on-line facility for viewing and responding to traffic consultations. This can be accessed by visiting www.cornwall.gov.uk/TrafficConsult. Once registered you will be able to submit responses to this and other current traffic consultations.

2. E-mail the Engineering Design Group on traffic@cormacltd.co.uk, quoting the scheme name and reference, and indicating your support or objection to the proposals.
3. Respond in writing using the attached Consultation Response Form, indicating your support or objection to the proposals. Please return the form to the address shown at the foot of it.

If you wish to discuss any aspect of this scheme, please do not hesitate to contact me.

Yours faithfully

Heidi Wheeldon

Privacy Information

CORMAC Solutions Ltd collects personal information from you when you register a consultation response. We will use this information to assist in collating feedback and to respond to you if we require clarification or further information on the response you have provided. The secure management of your information is very important to us and work has been undertaken to ensure that the Company is GDPR compliant.

Please note that any personal information collected from you as part of the consultation process will be securely destroyed within 12 weeks of completion of the scheme. However, you have the right to request that your information is removed at an earlier point, by using the contact details provided in this letter.

If you choose not to provide your address with your response, or withdraw your personal information before completion of the scheme, we regret that we may be unable to consider your response in regards to a particular aspect of it. Nonetheless, any points made will still be considered as general comments.

You can find out more information about how your information is used, how we maintain the security of your data and your rights in regard to the information we hold about you on our website: <https://www.corservltd.co.uk/privacy-and-cookie-policy/>

If you have any other queries regarding the use of your data, you can contact the Data Protection Officer (Mr Richard Zmuda) at CORSERV Ltd, Higher Trenant, Wadebridge, Cornwall, PL27 6TW, or phone 01872 323 313.
