

PROPOSAL

CORMAC Consultancy,
on behalf of Cornwall Council is inviting comment on the following proposal
Road Safety Improvements
A3074 Abbey Hill, Lelant

Proposed Scheme Background:

Abbey Hill has been programmed for routine surface dressing at the end of July/beginning of August. As a result the opportunity has arisen to narrow the existing central hatch markings as this can be amended in conjunction with the surface dressing.

In addition to the narrowing of the central hatch markings this proposal will reduce the overall road width by realigning the kerb line and providing a wider footway on the western side of Abbey Hill. A pedestrian refuge at the northern end of Abbey Hill will also be provided.
